

6-8TH GRADE

Meet the Teacher

Welcome! I'm Miss Capener and I'm so excited to work with such wonderful students at Arches! We will have the most amazing adventure as we learn, laugh, and create together this year! If you need anything at all, please don't hesitate to reach out!

Our Class Culture

Our class is meant to be a family of safety and support. This culture is built upon a foundation of honesty, respect, and kindness. We are working to build this kind of unity amongst the students in our class. Each student is expected to participate and treat themselves, fellow students, and teachers with kindness.

Academic Goals

Throughout the course of this year, students will create, explore, and discover together.

Our class is designed to be academically rigorous in a way that fosters a love of learning and helps students understand and internalize the concepts.

This involves numerous field trips, activities, and projects.

Homework & Communication

In an effort to help students foster a love of learning as well as acquire the necessary skills and understanding, students will have homework. The school's homework policy is outlined in the Parent and Student Handbook.

Students will write their homework for each day in their planner. It will also be in Google Classroom.

Regarding any concerns, the most important thing is communication. If there are any concerns at school, I, or one of the other teachers, will contact you. I will strive for open, honest, and frequent communication and ask that you do the same.

Have the Courage to be Kind
