Sibling Discounts:

For families paying more than one full tuition we offer sibling discounts. (These discounts are not applied in addition to other discounts or scholarships. They are meant to help families who are paying more than one full tuition out of pocket.)

- 10% off of the second full tuition
- 15% off of the third full tuition
- 25% off of further full tuitions

Donations, other Costs and Participation

Requested Annual Donation: \$500.00 per student

We appreciate you being a part of the Arches Community! Part of what makes this community so great is our wonderful teachers and the connection they have with your children. In order to retain our teachers by continuing to offer competitive wages and annual salary raises, as well as keep up with other increasing costs, tuition is raised accordingly each year. Our projections indicate that a \$1000 tuition increase is called for in 23-24, but because it has been a difficult financial year for many, the increase is only \$500. Please help make up the difference with a donation instead, to provide both revenue for the school *and* a tax benefit for you. A 'Donate Now' option will be a choice on your TADS payment agreement, and you can also donate at any time including at the Gala and for the Fun Run, our main annual fundraisers. **See more info: [What to Expect for Costs and Parent Participation](#)**

Special Building Endowment Donation

Our current building has served us pretty well for the last 10 years, and the time has come to make serious progress towards our goal of moving to a new building/campus within the next few years so we can further expand and upgrade our programs as we have envisioned. Please read more about our [School Vision](#) here, and consider making a special donation toward our New Building fund!

School Days and Hours: Monday-Thursday (Early out Fridays at 2:00)

8:15-8:25 Arrival (7:45-8:15 for Early Morning Care: \$8.00/day)

8:30-3:15 NS-4th Grade School day Mon-Thurs (8:30-2:00 Fri) (NS, PS, PK part time options above)
