

Hi,

I am very happy to be here at Arches Academy this year. I do an array of things here at Arches. I am the Lunch Director, and Pre K Specialist. I am also the in house substitute teacher. I am loving these positions because I get the opportunity to meet and get to know all the students.

I attended Utah Valley University studying child psychology and early childhood education. I hope to start school again soon. I ran a state daycare with my mom for 5+ years, and decided that I would like to get more child education experience. When I started job searching I stumbled across Arches Academy, and I'm so glad I did. The students and faculty here are amazing.

I live in Salem Utah on a family farm where we raise beef cows. I enjoy spending time with my family and pets. I enjoy things like backpacking in the mountains, and I love all things Ocean.

I am so excited to get to know everyone. It's going to be a great year! :)
