

## Insurance Information

International students attending Arches Academy are strongly encouraged to have medical insurance. Arches Academy does not provide this insurance. For convenience purposes, we are providing some insurance company options and their websites so that the student and their family may research and secure the best insurance option for their student. Arches Academy does not endorse any insurance provider.

It is our hope that the information below will assist you in finding medical insurance for your student.

### **ISO- International Student Organization**

International Student Organization is a pioneer health insurance administrator, always at the service of international students who are currently studying in the USA and American students studying abroad. Founded in 1958, ISO strives to address the needs of international students. The objective of their organization has never changed: to ease the life of international students while away from their home country. ISO is a leading service provider organization administered solely by current and former international students.
